

Business	22
Associate of Science	MONTHS
<p>Available Online: This program is delivered fully online.</p> <p>The Business program prepares students for a variety of responsible managerial positions. Due to the diversity of the program courses, the student will build a strong foundation in accounting, marketing, insurance, finance, electronic commerce, and real estate.</p> <p>Objectives of the program are as follows: providing the student with an integrated understanding of business and economic concepts and how these concepts relate to business and social systems; the recognition of ethical responsibilities and accountability; the development of planning, decision-making, and other management functions; the capacity to implement and adapt to change; and development of analytic thinking and leadership style.</p> <p>Graduates are employed in entry-level positions as bookkeepers, clerical assistants, and personal property professionals.</p>
