

<b>Business</b>	<b>42</b>
Bachelor of Science	MONTHS
<p><b>Available Online:</b> This program is delivered fully online.</p> <p>The Business program prepares graduates for a variety of responsible managerial positions in both domestic and international firms. The objectives of the program are to provide a foundation in accounting, sales and marketing, operations management, human resource management, and banking and finance and to provide the graduate with an integrated understanding of business and economic concepts and how they relate to the global economy. Business graduates can be employed in entry-level to midlevel positions as an office manager, an account manager, a small business developer, a human resource assistant, or a sales manager.</p>
